

veanavite®

The foundation for a lifetime of performance

Advantage

STOCKFEED ONLY

Veanavite Advantage Calf Milk Replacer is a high quality calf milk replacer scientifically formulated to provide a balanced nutrition for the young calf. A quality blend of spray dried milk powders provide a rich source of protein and energy in a blend fortified with vitamins, highly available organic trace minerals and antioxidants. Veanavite Advantage also has added B-glucans to boost natural self defence.

ECONOMY ONCE PER DAY MILK FEEDING PROGRAM

Once a day milk feeding can produce calves with digestive systems that develop more rapidly, resulting in earlier weaning and potential cost savings. Feed up to 4 litres of colostrum immediately after birth of the calf and continue over a minimum of two feeds per day for the first 2 days. After the colostrum phase follow the recommendations in the table below and include 15gms of Veanavite Supastart per calf per day for the duration of milk feeding.

(Once per day feeding) (all figures are per calf)

Feeding Weeks	Day	No. Days	Number of feeds per day	Milk Powder per feed (Grams)	Water per feed (Litres)	Total feed volume per feed (Litres)	Total milk powder/calf/day (Grams)
Week 1	Day 1 (Colostrum)	1	2	NA	NA	NA	NA
Week 1	Day 2-7	6	2	225	1.70	1.85	450
Week 2	Day 8-14	7	1	500	2.50	2.85	500
Week 3-6 (and beyond)	Day 15-42	28	1	600	2.50	3.00	600

Calves consuming 750g – 1.0kg pellets per calf per day for 3 consecutive days can be safely weaned off milk

Feeding rates based on average 45kg birthweight calf. For small calves rates may be reduced by 10-20%

TYPICAL ANALYSIS: Protein 22% Fat 18%

INGREDIENTS: Quality spray dried milk powders and dairy based products, Vitamins and minerals, Lecithen, Fibosel® B-glucans.

THIS PRODUCT DOES NOT CONTAIN RESTRICTED ANIMAL MATERIAL

STORAGE INSTRUCTIONS: Store in a cool, dry, rodent free area. For maximum freshness we recommend that Veanavite Milk Replacers should be used within 12 months of the date of manufacture. Store any unused portions in a clean, rodent proof, airtight container.
