

veanavite®

The foundation for a lifetime of performance

Guardian

STOCKFEED ONLY

Veanavite Guardian is a premium quality milk replacer with a lower lactose level than calf milk replacers. It is formulated to provide optimal nutrition for young lambs and kid goats. A quality blend of spray dried milk powders provide a rich source of protein and energy in a blend fortified with vitamins, highly available organic trace minerals and antioxidants. Veanavite Guardian also has an added Multi-strain Probiotic and Fibosel® B-glucans to boost natural self defence.

FEEDING GUIDELINES

Add 200 grams of Veanavite Guardian Lamb and Kid Milk Replacer to 850mL of fresh, warm water (37 deg C). This will make up approx 1 litre of Milk Replacer. (Multiply out for larger volumes.) Mix thoroughly with a whisk until dissolved. Feed lambs and kid goats according to the following table.

(all figures are per lamb/kid)

Day of Feeding	Volume per Feed	Number of feeds per day	Daily Intake (mL)
2 – 7	150	5	750
8 – 14	240	4	960
15 – 21	330	4	1320
22 – 28	440	3	1320
29 – Weaning	475	2	950

TYPICAL ANALYSIS: Protein 26% Fat 24%
